## Selection procedure

The selection procedure includes the following steps:

- In the shortlist phase<sup>8</sup> consisting of a shortlist interview which may be complemented by a written test, the Selection Committee scores the candidates in accordance with the selection criteria. Candidates may also be required to prepare a presentation on a topic to be presented during the shortlist phase, which would be evaluated as part of the shortlist interview;
- In order to be included in the reserve list, candidates must receive at least 60% of the maximum scores in the shortlist phase;

Please note that the Selection Committee's work and deliberations are strictly confidential. Any contact with its members is strictly prohibited.

---

<sup>7</sup> The Selection Committee has the discretion to choose between remote and on-site interviews/tests as deemed appropriate. For remote interviews, the Selection Committee reserves the right to conduct the interview using an online video interviewing tool for synchronous and/or asynchronous (e.g., recorded) interviews.

<sup>8</sup> Same applies as per previous footnote.

<sup>9</sup> As English is eu-LISA's working language, the selection procedure will be predominantly conducted in English, except when English is the mother tongue of a candidate or when the mother tongue of the candidate is not an official language of the European Union. In these cases, some of the interview and/or written test questions may be asked in the language indicated as their 2nd EU language.

***English is eu-LISA's working language. Any communication related to the selection procedure will be conducted in English.***

## **Engagement and conditions of employment**

The selected candidate will be engaged by the Authority Authorised to Conclude Contracts of employment from the established reserve list. Once the candidate receives an engagement offer, they may be required to accept the offer within a short timeframe and be available to start the contract at short notice.

The successful candidate will be engaged as Temporary Staff, pursuant to Article 2(f) of the Conditions of Employment of Other Servants of the European Communities (CEOS). The Temporary Staff post will be placed in Function Group AD, Grade 7, in the first or second step, depending on the length of professional experience.

The remuneration of a staff member consists of a basic salary (currently EUR 7 559.72 for step 1, and EUR 7877.39 for step 2<sup>10</sup>) weighed by the correction coefficient<sup>11</sup> (114.2% for Strasbourg, France) and paid in EUR<sup>12</sup>.

The initial duration of the contract is five (5) years, including a probationary period of nine (9) months, with the possibility of contract renewal for another period not exceeding five (5) years. Following a successful renewal, the second renewal will be indefinite.

The reserve list shall be used for the recruitment and selection for the post in question and/or similar posts depending on the needs of the Agency. The candidates included in this reserve list may be offered an engagement under the conditions stipulated in Article 3a of the CEOS for Contract Staff, and/or may be offered an employment contract of a shorter duration and/or in a different location (Strasbourg, Tallinn or Brussels) than the one stated in the vacancy notice in accordance with the business needs and subject to agreement with the candidate. In this case, the Agency will contact the candidate in the reserve list and ask their interest.

All selected candidates will need to have, or be in a position to obtain, a valid Personnel Security Clearance Certificate depending on the specific job profile.

A Personnel Security Clearance Certificate (PSCC) is defined as a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSCC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access, the date of validity of the relevant PSC and the date of expiry of the certificate itself.

Candidates who hold a valid security clearance must provide a copy of their security clearance and specify the issuing authority, level and date of expiry. In case the validity of their security clearance expires within six months, the renewal procedure will be initiated expeditiously.

<sup>12</sup> For the purposes of determining professional experience, the Appointing Authority shall allow 24 months' additional seniority of step in grade for professional experience equal to or more than the 3 years of professional experience after the degree giving access to the grade.

Kindly note that the necessary procedure for obtaining a PSCC can be initiated by request of the employer only, and not by the individual candidate.

Failure to obtain the required security clearance certificate from the candidate's National Security Authority, either during or after the expiration of the probationary period, will give eu-LISA the right to terminate any applicable employment contract.
