The European Climate, Environment and Infrastructure Executive Agency (CINEA), established in early 2021, is located in Brussels and has a dynamic, dedicated, multinational team of nearly 600 people who are experts in their field.

CINEA's mission is to support the European Commission to deliver the European Green Deal. To achieve this objective, we manage EU funding for projects in the areas of transport, energy, climate action, environment, maritime fisheries and aquaculture, to the tune of EUR 65 billion over the 2021-2027 period. We do this through high-quality programme management that supports European beneficiaries to achieve ground-breaking results for a cleaner and more sustainable future. Projects that are funded cover a broad range of topics including the innovative and clean technologies, greener infrastructures, and measures to improve sustainability.

CINEA closely cooperates with seven Directorates-General of the European Commission (*DG Mobility & Transport, DG Energy, DG Research & Innovation, DG Climate Action, DG Environment, DG Maritime Affairs and Fisheries, and DG Regional and Urban Policy*) to manage the following programmes on their behalf:

- The Connecting Europe Facility (CEF): supports high-performing, sustainable and interconnected Trans-European Networks. CINEA manages the fields of Transport and Energy.
- Horizon Europe: the EU's Research and Innovation programme where CINEA manages the programme's cluster dedicated to Climate, Energy and Mobility actions.
- The Innovation Fund: one of the world's largest funding programmes for the demonstration of innovative low-carbon technologies. It focuses on highly innovative clean technologies and big flagship projects that can bring significant emission and greenhouse gas reductions..
- LIFE Programme: entirely dedicated to environmental, climate and clean energy objectives.
- European Maritime, Aquaculture and Fisheries Fund (EMFAF): provides funding to support the Common Fisheries Policy (CFP), the Union's Maritime Policy and the EU's agenda for international ocean governance.

- a material irregularity in the selection process; and/or
- non-compliance, by the Selection Committee, with the Staff Regulations, the vacancy notice of the selection procedure, its annexes and/or case law.

Candidates may ask for a request for review within 15 calendar days of the date on the email notifying the rejection of their application, indicating clearly the decision that their wish to contest and on what grounds. The request should be addressed to the Chairman of the Selection Committee, quoting the number of the selection procedure concerned at the following address: [CINEA-HR-RECRUITMENT@ec.europa.eu](mailto:CINEA-HR-RECRUITMENT@ec.europa.eu). The Director of CINEA cannot overturn a value judgment made by a Selection Committee.

Candidates may submit their administrative complaint by contacting CINEA within three months of notification of the contested decision or of the date by which a decision should have been made.

The request, indicating clearly the decision that the candidate wish to contest and on what grounds and quoting the number of the selection procedure concerned, should be sent to the following address: [CINEA-HR-RECRUITMENT@ec.europa.eu](mailto:CINEA-HR-RECRUITMENT@ec.europa.eu).
