Job-shadowing Preferences

Please indicate clearly the motivations for your preferences as this will help the Institution/DG to find a job shadowing placement for you.

As placement in your first-choice assignment cannot be guaranteed, please indicate three preferences in order of priority, ensuring that the same Directorate-General is not listed more than once.

To facilitate the allocation process, **provide a clear statement of your areas of interest and the motivation for your choices (150–300 words)**. Precise information will assist services in identifying the most suitable placement.

Job shadowing is available in EU institutions and agencies located in Brussels. Placements in Luxembourg are not possible due to budgetary constraints.

*** Job-Shadowing Preference #1**
