VACANCY NOTICE

Legal Adviser

Contract Agent

(Ref. CINEA/2026/CA/FGIV/05)

The European Climate, Infrastructure and Environment Executive Agency (CINEA)

The European Climate, Environment and Infrastructure Executive Agency (CINEA), established in early 2021, is located in Brussels and has a dynamic, dedicated, multinational team of nearly 600 people who are experts in their field.

CINEA's mission is to support the European Commission to boost green growth and clean industry in Europe. To achieve this objective, we manage EU funding for projects in the areas of transport, energy, climate action, environment, maritime fisheries and aquaculture, to the tune of EUR 65 billion over the 2021-2027 period. We do this through high-quality programme management that supports European beneficiaries to achieve ground-breaking results for a cleaner and more sustainable future. Projects that are funded cover a broad range of topics including the innovative and clean technologies, greener infrastructures, and measures to improve sustainability.

CINEA closely cooperates with seven Directorates-General of the European Commission (*DG Mobility & Transport, DG Energy, DG Research & Innovation, DG Climate Action, DG Environment, DG Maritime Affairs and Fisheries, and DG Regional and Urban Policy*) to manage the following programmes on their behalf:

- The Connecting Europe Facility (CEF): supports high-performing, sustainable and interconnected Trans-European Networks. CINEA manages the fields of Transport and Energy.
- Horizon Europe: the EU's Research and Innovation programme where CINEA manages the programme's cluster dedicated to Climate, Energy and Mobility actions and three Missions (Climate adaptation; Oceans, seas and waters; Climate-neutral and smart Cities).
- The Innovation Fund: one of the world's largest funding programmes for the demonstration of innovative low-carbon technologies. It focuses on highly innovative clean technologies and big flagship projects that can bring significant emission and greenhouse gas reductions..
- LIFE Programme: entirely dedicated to environmental, climate and clean energy objectives.
- European Maritime, Aquaculture and Fisheries Fund (EMFAF): provides funding to support the Common Fisheries Policy (CFP), the Union's Maritime Policy and the EU's agenda for international ocean governance.
- The EU Renewable Energy Mechanism: supports the achievement of the EU's renewable energy targets by increasing investments in production capacity.

- The Public Sector Loan Facility of the Just Transition Mechanism: A key tool to ensure that the transition towards a climate-neutral economy happens in a fair way, leaving no one behind.

Working environment

Means of Redress

A. Request for review

Candidates may request a review of any decision taken by the Selection Committee that establishes their results and/or determines whether they can proceed to the next stage of the selection procedure or are excluded. Requests for review may be based on:

- a material irregularity in the selection process; and/or
- non-compliance, by the Selection Committee, with the Staff Regulations, the vacancy notice of the selection procedure, its annexes and/or case law.

Candidates are not allowed to challenge the validity of the Selection Committee's assessment of the quality of their performance in a test or the relevance of qualifications and professional experience. This assessment is a value judgment made by the Selection Committee and disagreement with the Selection Committee's evaluation of tests, experience and/or qualifications does not prove that it has made an error. Requests for review submitted on this basis will not lead to a positive outcome.

Candidates may ask for a request for review within 15 calendar days of the date on the email notifying the rejection of their application, indicating clearly the decision that they wish to contest and on what grounds. The request should be addressed to the Chairman of the Selection Committee, quoting the number of the selection procedure concerned at the following address: CINEA-HR-FEEDBACK@ec.europa.eu. Requests received after the deadline will not be taken into account.

Candidates who asked for a request for review will receive an acknowledgment of receipt within 15 working days. The Selection Committee will analyse and decide on the request and candidates will receive a reasoned reply as soon as possible.

B. Other forms of contestation

(1) Administrative complaints

Candidates may address an administrative complaint under Article 90(2) of the Staff Regulations to the Director of CINEA acting as the appointing authority.

Candidates may submit a complaint against a decision, or lack thereof, that directly and immediately affects their legal status as a candidate, only if the rules governing the selection

procedure have clearly been infringed. The Director of CINEA cannot overturn a value judgment made by a Selection Committee.

Candidates may submit their administrative complaint by contacting CINEA within three months of notification of the contested decision or of the date by which a decision should have been made.

The request, indicating clearly the decision that the candidate wish to contest and on what grounds and quoting the number of the selection procedure concerned, should be sent to the following address: CINEA-HR-FEEDBACK@ec.europa.eu Requests received after the deadline will not be taken into account.

(2) Judicial appeals

Candidates may submit a judicial appeal to the General Court, under Article 270 of the Treaty on the Functioning of the European Union and Article 91 of the Staff Regulations.

Note that appeals against decisions taken by CINEA's appointing authority rather than by the Selection Committee will not be admissible before the General Court unless an administrative complaint under Article 90(2) of the Staff Regulations has first been made (see section B.1 Administrative complaints).

For the arrangements for judicial appeals please consult the website of the General Court (<http://curia.europa.eu/jcms/>).

(3) European Ombudsman

Candidates, like all EU citizens and residents, may submit a complaint to the Ombudsman. Before submitting a complaint to the Ombudsman, candidates must first make the appropriate administrative approaches to the institutions and bodies concerned (see section B.1 Administrative complaints).

Making a complaint to the Ombudsman does not extend the deadlines for lodging administrative complaints or judicial appeals.

For the arrangements for complaints to the Ombudsman please consult the website of the European Ombudsman (<http://www.ombudsman.europa.eu/>).

Data protection

The purpose of processing of the data submitted by candidates is to manage the applications in view of a possible pre-selection and recruitment at the CINEA. The personal information requested from candidates will be processed in line with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.
